

Patient Portal Representative Enrollment Information

For Parents and/or Guardians

WHAT IS MYHEALTHPOINT PATIENT PORTAL?

The MyHealthPoint Patient Portal website is an easy, secure, and convenient way for you to access your health records. With the MyHealthPoint Patient Portal you can view your health information at any time from any location with an internet connection including computers, tables, and smartphones.

HOW DO I SIGN UP?

*****Parents/Guardians wishing to enroll a dependent in the Patient Portal will not be able to enroll at registration and will need to go to the Health Information Management Department to enroll.*****

*****Parents/Guardians will need to enroll and activate their own portal accounts prior to enrolling as a representative.*****

*****If you are enrolling as a representative for more than one account, you will need to arrange a time with Medical Records or the Informatics nurse to enroll and activate the representative accounts with assistance*****

QUESTIONS: Contact CVH Health Information Management Department (435) 637-4800 ext:4200

WHAT ARE THE NEXT STEPS?

Once enrolled, you will be sent an enrollment email or SMS message. To complete your registration, you will need to click on the link at which time you will verify demographic information, set a password, and select a security question. As a patient representative you will also need a PIN to login, this PIN will be provided to you as part of the enrollment process.
